Introduction
to Competitive Events

Family, Career and Community Leaders of America (FCCLA) is pleased to provide a comprehensive Competitive Events Guide for use by staff, state and chapter advisers, and members.

FCCLA's competitive events offer the following annual activities:

- **FCCLA Contests** allow students to use creativity to express their FCCLA spirit.
- **Family and Consumer Sciences Knowledge Bowl** is a three-level, team competition that challenges students' knowledge of all aspects of Family and Consumer Sciences and FCCLA.
  - Family, Career, & Community Studies
  - Early Childhood & Human Development
  - Food Sciences, Dietetics, & Nutrition
  - Hospitality, Tourism, & Recreation
  - Fashion & Housing Design
  - FCCLA Knowledge
- **Skill Demonstration Event**s provide opportunities for members to demonstrate college and career-ready skills in Family and Consumer Sciences and related occupations. Competitions take place at National Cluster Meetings.
- **STAR Events (Students Taking Action with Recognition)** recognize members for proficiency and achievement in chapter and individual projects, leadership skills, and career preparation. STAR Events offer individual skill development and application of learning through cooperative, individualized, and competitive activities.

Competitive events promote the FCCLA Mission to focus on the multiple roles of family member, wage earner, and community leader. Each event and activity is designed to help members develop specific lifetime skills in character development, creative and critical thinking, interpersonal communication, practical knowledge, and career preparation.

Competitive events provide additional opportunities to showcase college and career-ready knowledge, skills and abilities; promote the FCCLA chapter as an integral part of the of the Family and Consumer Sciences education program; and to connect with peers and the community.

Family and Consumer Sciences

Knowledge Bowl

2014–2015 Competition Guidelines

What is the Family and Consumer Sciences Knowledge Bowl?

The Family and Consumer Sciences Knowledge Bowl is a three level, team competition that challenges students' knowledge of all aspects of Family and Consumer Sciences.

All questions throughout the Family and Consumer Sciences Knowledge Bowl will fall under one of the following six categories:

- Family, Career, & Community Studies (NASAFACS Areas of Study: 1, 2, 3, 6, 7, 13)
- Early Childhood & Human Development (NASAFACS Areas of Study: 4, 12, 15)
- Food Sciences, Dietetics, & Nutrition (NASAFACS Areas of Study: 9, 14)
- Hospitality, Tourism, & Recreation (NASAFACS Areas of Study: 8, 10)
- Fashion & Housing Design (NASAFACS Areas of Study: 11, 16)
- FCCLA Knowledge (The Handbook to Ultimate Leadership and www.fcclainc.org)

Questions come from a variety of sources. Preparation resources may include Family and Consumer Sciences textbooks, reference guides, content area websites, the FCCLA website, and other local or online resources.

All Level 1–3 teams should be comprised of five FCCLA members (affiliated at both the state and national level by November 1) from the same chapter. Team members may be mixed in grade level and FACS course background. All level 1–3 competitors must be registered for the conference at which their competition level takes place. Conference name tags must be worn at all times during the competition. **Teams with less than five members are ineligible to compete.**

LEVEL 1—National Cluster Meeting

Registration for Level 1 takes place through the National Cluster Meeting registration process. Registration will be limited to the first 40 teams per National Cluster Meeting location or by the late registration deadline.

Participants must be registered to attend the National Cluster Meeting and those living more than 50 miles from the convention site must stay at one of the official conference hotels. Hotel reservations will be verified prior to the meeting.

All teams competing at the National Cluster Meetings will complete this round. Teams will be comprised of five FCCLA members from a single school or chapter. Each team will be given a test packet containing five tests, one in each of the following areas:

- Family, Career, & Community Studies (NASAFACS Areas of Study: 1, 2, 3, 6, 7, 13)
- Early Childhood & Human Development (NASAFACS Areas of Study: 4, 12, 15)
- Food Sciences, Dietetics, & Nutrition (NASAFACS Areas of Study: 9, 14)
- Hospitality, Tourism, & Recreation (NASAFACS Areas of Study: 8, 10)
- Fashion & Housing Design (NASAFACS Areas of Study: 11, 16)

Team members will determine which individual will complete each test before opening the test packet. **Each member may complete only one test.** One hour will be given for individuals to complete the 50 question test (multiple choice and true/false questions). 50 questions x 2 points = 100 points per test. The test scores will be added to determine a total team score (out of 500).

If less than five members are present to take the test, the team is ineligible to compete.

The teams with the top 20 team scores will advance to the next level.

Tests will be scored by a panel of national staff members and volunteers according to the test keys. Chapters will not receive the scored tests back.

LEVEL 2—National Cluster Meeting

Single elimination (takes place at each NCM site—questions will be the same at sites on the same weekend).

The second level will be a single elimination, head-to-head competition. Teams will be put into a bracket with the #1 scoring team against #20, and so on to meet in the middle. If an odd-number of teams are competing, byes will go to the highest scoring team(s). Competition will take place simultaneously in 10 rooms, or as space allows with a holding room. All rooms will use the same questions. Sample brackets are posted online at www.fcclainc.org.

Level 2 rounds consist of two parts—Head-to-Head Individual Questions as well as Team Questions. In the Head-to-Head Individual part of the round, one multiple choice question from each of the categories (in order as listed below) except FCCLA Knowledge will be asked. In the Team Questions part of the round, all questions are open-ended. Three questions will be asked in each of the categories except FCCLA Knowledge, which will have one question per round.

Questions will be asked in the following order:

1. 3 Family, Career, & Community Studies questions
2. 3 Early Childhood & Human Development questions
3. 3 Food Science, Dietetics, & Nutrition questions
4. 3 Hospitality, Tourism, & Recreation questions
5. 3 Fashion & Housing Design questions
6. 1 FCCLA Knowledge question

Winners will advance to the next bracket level. The advancing 10 teams will compete simultaneously in 5 rooms, or as space allows with a holding room. All rooms will use the same questions.

The five winners will advance to Level 3, which will take place at the following National Leadership Conference. The five advancing teams will be ranked for NLC based on their Level 1 team test scores. Alternates will be the five teams that didn't win, ranked by their Level 1 test scores. Level 2 will be open to spectators as space allows.

LEVEL 3—National Leadership Conference

Participants must be registered for the week of the National Leadership Conference and those living more than 30 miles from the convention site must stay at one of the official conference hotels. Hotel reservations will be verified prior to the meeting.

Teams will be evenly placed into pools of five teams by Level 1 scores. Each team will play all of the other teams in their pool. Pools will play simultaneously and the questions for each round will be the same in each pool. During byes, teams will wait in the holding room.

Level 3 rounds consist of two parts—Head-to-Head Individual Questions as well as Team Questions. In the Head-to-Head Individual part of the round, one multiple choice question from each of the categories (in order as listed below) except FCCLA Knowledge will be asked. In the Team Questions part of the round, all questions are open-ended. Three questions will be asked in each of the categories except FCCLA Knowledge, which will have one question per round.

Questions will be asked in the following order:

1. 3 Family, Career, & Community Studies questions
2. 3 Early Childhood & Human Development questions
3. 3 Food Science, Dietetics, & Nutrition questions
4. 3 Hospitality, Tourism, & Recreation questions
5. 3 Fashion & Housing Design questions
6. 1 FCCLA Knowledge question

The top two teams (those with the most number of wins) from each pool will advance to the finals. Pool ties will be determined by total points gained during the total pool play. The second tie-breaker, if needed, will be determined by who won during the head-to-head round between tied teams. In the event that competition pools are of different sizes, the second tiebreaker will be the highest average points per match. Finals will be single elimination with a play off for third.

Should any ties remain, the final tiebreaker will go to the team with the highest Level 1 score and lowest time.

Buzzer Round Rules of Play
Levels 2 and 3

Head-to-Head Individual Questions Rules

Questions in the head-to-head individual part of the round are multiple choice. Each team member is assigned a number—member #1, #2, #3, #4 or #5. After the question and answer choices are read to team members #1, whichever individual buzzes in first has 10 seconds to respond. The individual cannot confer with team members. Individuals may give the full answer or the letter (a, b, or c) associated with the answer. A total of 5 questions will be asked.

If the individual who has buzzed in cannot answer in the time allowed, or gives an incorrect answer, the opposing individual team member has 10 seconds to provide an answer.

If a member buzzes in before the entire question is read, the individual must give an answer within 10 seconds. If the answer is incorrect, the moderator will re-read the question and answer choices. The opposing team member has 10 seconds to respond.

If neither individual buzzes in within 10 seconds, or both members give incorrect answers, the moderator will give the correct answer.

Each correct answer is worth 10 points. There is no deduction for incorrect answers.

This process will continue through team members #5. Upon completion of the head-to-head individual part of the round, scores will be tabulated and announced by the scorekeeper and moderator.

Team Questions Rules

Questions in the team questions part of the round are open ended. The moderator will ask a question, and the first person to hit his or her button will have the opportunity to answer.

Teams may buzz in before the entire question is read. If this happens, the moderator will stop reading the question. The moderator will call on the team that buzzed in. The team member who buzzed in has 10 seconds to answer the question. The team may confer both orally and in writing until a team member buzzes in. Only the team member who buzzed in will be allowed to answer the question.

If an incorrect answer is given, the moderator will begin re-reading the question, and members from the other team may buzz in at any time.

If no one buzzes in within 10 seconds after the question has been read, or both teams give incorrect answers, the moderator will give the correct answer.

Each correct answer is worth 5 points. There is no deduction for incorrect answers.

This process will continue through all 16 open ended questions. Upon completion of the team questions part of the round, scores will be tabulated and announced by the scorekeeper and moderator. If there is a winner, the winner will be announced. If there is a tie that must be broken, tie breaker question(s) will be read.

Tie Breaker Round Rules

Up to five tie-breaker questions will be asked. Each correct answer is worth one point. There is no deduction for incorrect answers. The first team that buzzes in will have 10 seconds to answer. The first team to correctly answer a tie breaker question will be announced the winner.

General Rules
Levels 1 to 3

Acceptability of Answers

Only the first answer from the team member who buzzes in will be accepted. Only one team member may buzz in per question. The moderator will determine if the answer given by the competitor matches the correct answer. If there is a question about the acceptability of the answer, the moderator may consult with the room judge.

Appeals

Following the correct answer being given, either by one team or the moderator, the team captain of a team which has given an answer thought to be correct and in the appropriate manner may buzz in to question the incorrectness of his/her team's answer or the procedure by which the answer was not accepted. One additional team member may assist in explaining the reason for the appeal, but the appeal must be proposed by the team captain. The judge will make the final ruling based upon the explanation. Appeals must take place before the moderator begins the next question and will not be considered at another time during or following the round. Only one appeal is permitted per match, per team. Interference from the audience will result in the appeal being dismissed.

Consultation

Team members may confer with one another both orally and in writing until a team member buzzes in. From the time a competitor buzzes in until the time the moderator announces whether the answer is correct or incorrect, no one on that team should speak or write notes to another. If consultation continues while a team member has buzzed in, his/her answer will not be accepted even if it is correct. Team members of the opposing team may consult while a competitor on the other team is answering the question.

Dress Code

Participants should follow the approved conference dress code for participation in all levels of competition.

Moderator/Judge/Question Error

If the moderator misspeaks or misreads a question, but catches the mistake prior to either *team* buzzing in, they may repeat the question correctly and the time for answering will begin again at 10 seconds.

The judge and/or moderator may see that a replacement question is used if an answer is prematurely given by the moderator, judge, or spectator or if the way a question is read is deemed unfair for either or both teams. Replacement questions will not be used if a competitor reveals the correct answer out of turn or if a competitor or spectator disagrees with the correctness of answer as determined by the moderator and judge.

Repeating of Questions

Individual team members may request a multiple choice question to be repeated during the Head-to-Head Individual Round. No open-ended questions will be repeated once they have been read in their entirety. If there is an issue in which the moderator feels the question should be repeated (noise interference or equipment problem) they may repeat the question at their discretion.

Spectator/Participant Conduct and Sportmanship

Level 2 and Level 3 are open to spectators (students, advisers, chaperones, alumni, and other conference attendees) as space in competition rooms permits. Spectators are not allowed to enter or leave the competition room during play. Spectators are prohibited from cheering, visual signaling, audible conversations, and the use of cell phones

during competition. Any spectators who disrupt the round in any way or are thought to be communicating with competitors will be asked to leave by the room judge or moderator. The room judge and moderator have the authority to control the competition atmosphere within their room. Disputes concerning their judgment should be directed to the Competitive Events Manager or the on-site national staff person who is overseeing the competition.

Good sportsmanship is expected of all participants, advisers, chapter members, and other spectators. Poor sportsmanship on the part of any team member or their supporters may result in disqualification. Any use of extremely negative behavior (such as the use of profanity or yelling) will result in immediate disqualification of the team.

No videotaping or photography is allowed during live competition without prior approval of FCCLA.

Substitution

Substitution of team members between Level 2 and Level 3 will be allowed. Substitutions must be made prior to June 1. Substituted competitors must be affiliated members of the same FCCLA chapter to qualify.

Teams will be sent a confirmation of their Level 3 participation via email by March 1. Any changes made to the composition of a Level 3 team must be made in writing by the chapter adviser or team captain to competitiveevents@fcclainc.org by June 1. Changes may be made any time between December 1 and June 1 of the current school year.

Team Captain

Each team should select one of its members to serve as the team captain. This member will be responsible for picking up team materials. The team captain will be indicated on the registration form and will be designated on their placecard.

Team Holding Room

All *teams* in Level 2 and 3 are required to report at a designated time, and required to remain in a holding room throughout the competition time period. Failure to report to the holding room prior to the start of the first round of competition will result in a team receiving an automatic loss in the first round. Teams are disqualified if not in the holding room by the time the first round of competition is completed. Teams may utilize printed study material and the official FCCLA Knowledge Bowl Prep Program on DVD. The use of cellphones, or other electronic devices which may record, publish or receive information are prohibited. Laptops with a wi-fi connection disabled are allowed only when using the FCCLA Knowledge Bowl Prep Program DVD.

Unanswered Questions

If a question is not answered by either team, no points will be awarded or lost and no replacement question will be given. The moderator will give the correct answer and move on to the next question.

Writing Instruments

Paper and pencils for each competitor will be provided by FCCLA. Competitors will not be allowed to bring any writing tools or paper into the competition room.

Postsecondary Participation

in Competitive Events: STAR Events

Postsecondary FCCLA members in participating states will be eligible to compete in one of four STAR Events. Postsecondary members are eligible if they are enrolled in a postsecondary program (grades 13–16 in career and technical education centers, community colleges, and four-year college and universities).

All postsecondary STAR Events participants must be affiliated nationally. Dues must be paid by May 1 and sent to the national office for participants to be eligible for national STAR Events competition. The national office will verify membership affiliation for all postsecondary participants before they are permitted to participate. If necessary, late affiliation dues must be paid before June 1.

Postsecondary members are not required to participate in state events prior to national STAR Events, though they must be selected by state-established procedures.

Each state may submit a maximum of three entries in each of the six events: Advocacy, Culinary Arts, Early Childhood Education, Fashion Design, Interior Design, and Teach and Train. The registration deadline is May 1. Substitutes' names may be submitted until June 1 as long as eligibility requirements are met. A fee per person will be assessed for all STAR Events substitutions made between May 15 and June 1.

To be able to participate in the national postsecondary STAR Events, participants are required to register for the days they will be attending the National Leadership Conference, and pay a nonrefundable STAR Events registration fee. Postsecondary participants are encouraged, though not required, to stay at one of the official convention hotels for the duration of their participation.

Postsecondary participants must follow national rules for competition, or risk possible disqualification or loss of points.

An individual postsecondary member may participate in only one STAR Event in any given year.

Individual events evaluate one member's performance. Team events evaluate several participants' performance as one entry. Team events may have one, two, or three participants from the same state.

Participants placing 1st, 2nd, or 3rd will receive the following: a recognition trophy during the National Leadership Conference. All participants will receive a certificate of participation and completed evaluations. Each entry is evaluated by a standard set of criteria. For the purposes of determining 1st, 2nd, and 3rd places, each evaluator will also rank entries. In the case of a tie, those entries with the lowest ranks and highest scores will determine the final event placement.

STAR Events—*Students Taking Action with Recognition*

Introduction

STAR Events

STAR Events (Students Taking Action with Recognition) are competitive events in which members are recognized for proficiency and achievement in chapter and individual projects, leadership skills, and career preparation.

Family, Career and Community Leaders of America's (FCCLA) **STAR Events** offer individual skill development and application of learning through the following activities:

- cooperative—*teams* work to accomplish specific goals
- individualized—an *individual* member works alone to accomplish specific goals
- competitive—individual or *team* performance is measured by an established set of criteria.

STAR Events promote the FCCLA Mission to focus on the multiple roles of *family* member, wage earner, and *community* leader. Each event is designed to help members develop specific lifetime skills in character development, *creative* and *critical thinking,* interpersonal communication, practical knowledge, and career preparation.

STAR Events encourage active student participation and recognize accomplishments of youth. The belief that everyone can be successful is the foundation of these events. Cooperation and competition are stressed in positive, constructive ways. Respect and interaction between youth and adults are fostered by establishing *teams* of adult and youth evaluators and event managers.

Please note that words and terms in italics are defined in the glossary, located at the end of this document.

Foundational Events: These events, which build basic leadership and life skills, are for FCCLA members who want to get involved and improve upon themselves.

Leadership Events: These events provide an opportunity for leaders to gain recognition for their work in their chapters. The event *content* is designed to be a chapter project led by the *team* who takes it to the competition.

Career Preparation Events: These events are for students interested in a specific career area. Most events are for only senior and occupational participants who have spent time building career specific skills and knowledge, but a few events are open to junior participants who want to explore a specific career path.

Online Events: have two participation levels. In Level I, participants submit their online, digital project for evaluation. In Level II, the fifteen (15) highest scoring entries are invited to present their digital project, plus an oral presentation, at the National Leadership Conference.

Policies

DISQUALIFICATION

Disqualification is unfortunate for everyone concerned—participants, advisers, and event managers. To avoid unnecessary disappointment, keep in mind the five causes for disqualification.

1. Failure to register and send dues to national headquarters by May 1. See "Membership" for details on affiliation, membership transfers, and late membership policies.
2. Failure to arrive in a timely manner for event presentation. Participants are encouraged to arrive 30 minutes before their scheduled event presentation and may be disqualified if more than 15 minutes late.
3. For Applied Math for Culinary Management, Culinary Arts and Parliamentary Procedure participants only: Failure to attend participant orientation.
4. Participation of students or adults in behavior that negatively affects the management of STAR Events or failure to display a positive image of the FCCLA organization before, during, or after participation in STAR Events may result in disqualification of students or adults and/or eligibility of the student(s) and/or adults(s) for participation the following year. The penalty is determined by the Competitive Events Advisory Team.
5. Failure to register for the National Leadership Conference and appropriate hotel accommodations. All participants must be registered for the full week during the National Leadership Conference and to stay at one of the official hotels. STAR Events participants attending the National Leadership Conference and not staying at one of the official convention hotels will not be permitted to compete in national STAR Events, unless they reside within 30 miles of the conference location.

DRESS POLICY

Student dress should contribute to the positive, *professional* image of FCCLA. STAR Events participants are expected to adhere to the published dress code for all general sessions, workshops, and the STAR Events Recognition Session. STAR Events Recognition Session exception—Culinary Arts participants are welcome to wear chef's attire during the STAR Events Recognition Sessions. For participation in competition, follow event specifications for dress, and wear appropriate clothing for the nature of the presentation. Unless otherwise specified, appropriate clothing in events which do not allow costumes or uniforms includes professional attire (any appropriate colors), the official FCCLA blazer/uniform, or clothing which meets the conference dress code. If attending conference activities prior to or immediately after a STAR Events presentation, be prepared to change into clothing that meets the conference dress code.

EVENT DESCRIPTION AND CATEGORIES

Individual events evaluate one member's performance. *Team events* evaluate several participants' or a chapter's performance as one entry. *Team events* may have one, two, or three participants from the same chapter or school, with the exception of Culinary Arts, which requires only that students be from the same state and Parliamentary Procedure, which may have four to eight participants from the same chapter or school.

An event category is determined by the participant's *current* or previous enrollment in Family and Consumer Sciences coursework or a Career Cluster class/course that is taught or could be taught by a person approved by the state education system for teaching Family and Consumer Sciences courses or *content* areas and are nationally affiliated members of Family, Career and Community Leaders of America and participant's grade in school during the school year preceding the National Leadership Conference. Any change in membership status must be reported by the May 1 deadline.

Event categories are defined as:

- Junior—FCCLA chapter members through grade 9
- Senior—FCCLA chapter members in grades 10-12; who are identified as comprehensive members on the national affiliation form.
- Occupational—FCCLA chapter members in grades 10–12; who have been or are currently enrolled in occupational Family and Consumer Sciences coursework; and who are identified as occupational on the national affiliation form.
- A *team* composed of both junior (through grade 9) and senior (grades 10–12) comprehensive or occupational (grades 10-12) members must enter the senior category.
- A *team* composed of both senior (grades 10–12) comprehensive and occupational (grades 10–12) members must enter the senior category.
- A *team* composed of both junior (through grade 9) and occupational (grades 10–12) members must enter the senior category.
- *Team* events with only senior (grades 10–12) comprehensive and occupational (grades 10–12) categories may not include members through grade 9.

MEMBERSHIP

A student is not considered an affiliated FCCLA member at any level (local, state, and/or national) until all membership dues are received at national headquarters. Only affiliated members are eligible to compete in any levels of STAR Events. States should not allow members to participate in regional or state events unless national membership is verified. **Note: Although the national STAR Events membership deadline is May 1, states may require earlier deadlines for competition.**

Only affiliated members will be allowed to register for national STAR Events. A STAR Events participant can avoid disqualification caused by late payment of national dues by paying a late membership fee, in addition to their state and national dues, at the time of national STAR Events registration.

Participants must compete in the same membership category (comprehensive, occupational, or postsecondary) as indicated in the membership affiliation system. Membership transfers may be needed for participants who have transferred in or out of an occupational program, are transferring chapters, have graduated and are transferring to a postsecondary chapter, or were otherwise affiliated incorrectly. To change membership status within the affiliation system, please contact the state adviser.

In addition to membership deadlines are STAR Events registration deadlines. Please ensure that all registrations are submitted in a timely manner to avoid disqualification or late fees at the regional, state, and national levels.

Eligibility and General Rules for All Levels of Competition

1. An individual member may participate in only one national STAR Event in any given year. Participation is open to any nationally affiliated FCCLA chapter member. Events may have additional eligibility requirements.
2. Participants must follow national rules for competition, or risk possible disqualification or loss of points. If national rules vary from state event rules, entries need to be changed to comply with national rules.
3. All STAR Events projects must be developed and completed during a one-year span beginning July 1 and ending June 30 of the school year before the National Leadership Conference.
4. All STAR Events projects must be planned and prepared by the participant(s) only. Supporting resources are acceptable as long as participants are coordinating their use and resources are cited appropriately verbally and/or in print during the presentation to avoid false credit for unoriginal or non-participant work. Participants are encouraged to use original materials, items licensed for reuse, or items in which copyright permission has been granted.
5. State and chapter advisers should ensure that identical presentations of the same project are not entered into STAR Events multiple years.
6. Participants are not allowed to distribute any materials to the evaluators unless the event rules specifically allow it. Evaluators are not allowed to keep any items given to them by STAR Events participants.
7. No projects can be entered in more than one category of a single event, or in more than one event. However projects entered in any event may be included in the Chapter in Review events.
8. Chapters are allowed to enter only one entry in Chapter in Review Display and one entry in Chapter in Review Portfolio per category.
9. Chapters are allowed to enter only one entry in No Kid Hungry National Outreach Project.
10. Chapters are allowed to enter only one entry in FCCLA Chapter Website.
11. Chapters are allowed to enter the same project in both the No Kid Hungry National Outreach Projects and the Chapter Service Project events. Participants must follow specific event guidelines.
12. Spectators are not allowed to observe any portion of any STAR Event. Videotaping and/or audio recording of events is not allowed. *Exception: Media and Business & Industry partners may be escorted into events with prior approval and arrangements made through national headquarters and the Competitive Events Advisory Team. States may set policies for exceptions on the state level.
13. Participants are to maintain a *professional* appearance and attitude during all STAR Events activities.
14. Participants are responsible for their own event materials. Any items left behind are not the responsibility of FCCLA and may be discarded.
15. STAR Events *resources* (topics, scenarios, templates, etc.) can be found online at www.fcclainc.org/content/resources.

    Look for this icon next to events which have *resources* on the FCCLA National Website.
16. For Fashion Construction, Fashion Design, and Recycle and Redesign events lingerie and swimsuits are not allowed. Clothing that does not meet acceptable standards of modesty/appropriateness for a school function or setting is prohibited.
17. If a participant fails to adhere to event guidelines or event definition, or prepares an item not based on the *current* event scenario, then the sample/*display*/project is ineligible for evaluation. The participant will still be able to compete with an oral presentation if they choose to do so, and will only be scored on the oral presentation.
18. Participants may present in front, behind, or beside the designated table or space. Participants may not place items on the consultant or evaluator tables.

Event Management Information

Many individuals are needed to assist in the management of STAR Events. Both student members and adults play an important role in the success of the events. Throughout the events, cooperation and respect between youth and adults is encouraged and fostered by providing individuals the opportunity to work in youth/adult *teams.* The belief that youth are capable of assuming important roles has been the key to the success of this system. Specific management responsibilities are found in the STAR Events Management Manual and will be available prior to the event.

Event volunteers include:

- Lead Coordinator
- Assistant Lead Coordinator
- Event Lead Consultants
- Event Assistant Lead Consultants
- Room Consultants
- Evaluators

Evaluation *teams* are composed of youth and adults who are selected for their expertise in a specific event area. Business and industry provide some of the evaluators. Other adults and student evaluators/room consultants are nominated by state advisers. Nominees should have previous experience participating in similar events or leadership experiences that qualify them for this responsibility. An orientation session for evaluators/room consultants is held prior to STAR Events, where the lead consultant will provide general STAR Events information, review the STAR Events philosophy, evaluation techniques, and clarify procedures, rules and rubrics.

Requirements/Policies for National Leadership Conference Participants

Award Decisions

The decisions of the evaluators are final.

Conference Registration and Lodging

National STAR Events participants are required to be registered for the full week during the National Leadership Conference and to stay at one of the official conference hotels. STAR Events participants attending the National Leadership Conference and not staying at one of the official convention hotels will not be permitted to compete in national STAR Events, unless they reside within 30 miles of the conference location. A list of official convention hotels is in the National Leadership Conference information posted online at www.fcclainc.org.

National Recognition

Participants will receive recognition items including certificates and achievement medals. Recognition levels are:

- Gold medal (highest level)
- Silver medal
- Bronze medal.

Each entry is evaluated by a standard set of criteria. There is no limit to the number of medals given for each level in any category.

STAR Events participants must attend their Recognition Session to receive a medal. The method of recognizing national STAR Events participants will be published prior to the National Leadership Conference.

National STAR Events Registration Deadlines

Online STAR Events, Level I entries due by 11:59 p.m. February 1.

States with state competitions on or prior to April 24 must submit all STAR Events registrations online to FCCLA national headquarters by May 1.

States with state competitions on or after April 25 must submit all STAR Events registrations online to FCCLA national headquarters by May 15.

Late registrations without an approved extension will be accepted until May 15 with an additional $100 fee per event/category. Registrations will be accepted after May 15 until the National Leadership Conference for an additional fee of $200 per event/category.

Substitutions will be accepted until June 1, as long as eligibility requirements are met and national membership verification and fees are submitted prior to the June 1 late membership deadline. A fee will be charged for substitutions. All substitutions must occur within the same event and category, and must be approved by the state adviser.

National Participation Schedule

A tentative competition schedule will be posted on the FCCLA national website in March. Specific instructions concerning event registration, orientation, and participation will be posted by June 1. Participants without Internet access may request this information by mail.

Chapter advisers will receive the scheduled participation times for their chapter's participants during the Competitive Events Registration Packet Pick Up. A democratic method (drawing numbers, random assignments, etc.) is used to determine the schedule. Changing schedules with other participants is not permitted.

Chapter advisers will be responsible for picking up all STAR Events registration materials and distributing it to their STAR Events participants. At this time the chapter adviser or adult designee will:

- Confirm participant attendance
- Receive participant information, which may include ribbons, participation times, specific event materials, and recognition session information
- Sign acknowledgement of receipt of materials and no-shows.

Any packets not picked up and signed during the specified STAR Events Registration time(s) will result in participants not receiving the 3 points for registration. Participants are still eligible to compete at their scheduled time. Any packets not picked up during the specified time(s) will be returned to the Competitive Events Information Center. Chapter advisers may pick up these materials during normal Competitive Events Information Center hours.

Participants are required to be available during the entire time their event takes place. Do not schedule other activities during these national conference time periods.

Questions regarding STAR Events will be handled at the Competitive Events Information Center only.

Orientation Sessions

Culinary Arts, Applied Math for Culinary Management, and Parliamentary Procedure participants are required to attend their event orientation/test session. Failure to attend the orientation/test session will result in the loss of testing points.

All other participants will receive 2 points for attending their event orientation session. During this session the lead consultant will review the STAR Events schedule, review participant's responsibilities, describe and clarify the evaluation procedure and event schedule, and describe and clarify what will happen during the presentation time.

All rules apply even if the participant decides not to attend the orientation session. FCCLA does not assume responsibility for any problems resulting from participants who choose not to attend the orientation session.

Supplies, Equipment and Electrical Access

Participants must bring all needed supplies with them to competition. Supplies will not be available from the National Leadership Conference Headquarters or Competitive Events Information Center.

Access to an electrical outlet will not be provided unless required for a participant classified under the provisions of the Individuals with Disabilities Education Act. This request must be made during the national STAR Events registration process. Participants are encouraged to bring fully charged devices such as laptops, tablets, etc., to use for presentations, as allowed per event guidelines.

STAR Events Registration Fees

Each participant in a *team* or individual event pays a fee to help cover STAR Events expenses—room rental, certificates, recognition session expenses, awards, and supplies. In addition to the participant entry fee, online STAR Events, Level II entries pay a *technology* fee to provide Internet access and equipment. The national STAR Event participant fee is posted in the National Leadership Conference information. STAR Events fees are nonrefundable.

Specific Information for State Advisers

FCCLA state advisers are key to the success of STAR Events. Although STAR Events are managed by the national organization, state advisers carry a major responsibility for preparing, selecting, and monitoring their state participation.

1. Ensure student success by following national event rules when developing state events.
2. Develop a plan for selecting STAR Events participants. Criteria should include:
   - Participant selection when state-level events do not designate a first, second, and third place
   - Participant selection in states where there are no state events
   - Selection of substitutes
   - Method of breaking a tie between top-rated state event participants
   - Policy for STAR Events participants' travel to the National Leadership Conference
   - Notification of all local chapters regarding the above information.
3. Help participants avoid disqualification by checking their eligibility for the event before advancing them to national-level competition. It is extremely important that state advisers submit and approve only those students' names who have met all national rules. Screen applicants thoroughly. State advisers are directly responsible for screening since the national office lacks information to make these judgments. The number one concern is fairness, and state adviser commitment is essential to this goal. Careful supervision at the state level will eliminate the need for disqualification or loss of points at the national level.
4. Notify participants, their advisers, and any chaperones of the STAR Events information posted online at www.fcclainc.org throughout the year. Specific information for National Leadership Conference participants is posted in June, containing important information participants must know about before arriving at the national conference.
5. Meet with national STAR Events participants prior to the National Leadership Conference and review national STAR Events rules and procedures to ensure successful transition from state to national competition. Inform participants of the entire National Leadership Conference schedule.
6. Confirm participant registration from information sent by FCCLA national headquarters in late May. Make any necessary changes to spelling, addresses, special needs, etc., no later than June 1.
7. State advisers are key in identifying qualified evaluators, room consultants, and event volunteers—both youth and adults. Because STAR Events operate on a limited budget, unpaid volunteers are essential. States are responsible for providing one evaluator and/or room consultant for every three event participants. Refer to the STAR Events Management Manual for evaluator's and room consultants' specific duties. Ensure volunteers fulfill their duties onsite.
8. Enforce national policy on behavior at the national conference. (See Disqualification section.)
9. Submit in writing to the national organization if any participant has been disqualified or removed from participation after being registered on the national level, prior to the National Leadership Conference.
10. Collect participant rubrics at the Competitive Events Information Center following the STAR Events Recognition Sessions.

STAR Events Dates to Remember

A student is not considered an affiliated FCCLA member at any level (local, state, and/or national) until all membership dues are received at national headquarters. Only affiliated members are eligible to compete in any levels of STAR Events. The FCCLA Planning Process for Individual and Team Action

The *Planning Process* is a decision-making tool that supports the organization's overall philosophy about youth-centered leadership and personal growth. It can be used to determine group action in a chapter or class or to plan individual projects.

Go to www.fcclainc.org/content/resources to download a blank FCCLA Planning Process template. This template may be modified, but all headings must be used, in the correct order. The FCCLA logo, STAR Events logo, and Planning Process graphics are encouraged but not required.

IDENTIFY CONCERNS

The circle represents a continuous flow of ideas and has no beginning or end. As a target, it symbolizes zeroing in on the one idea around which you would like to build a project.

- Brainstorm to generate ideas, or state the activity or problem you want to address if already determined.
- Evaluate your list and narrow it down to a workable idea or project that interests and concerns the majority or all of your members.

SET A GOAL

The arrow stands for deciding which direction you will take. It points toward the goal or end result.

- Get a clear mental picture of what you want to accomplish, and write your ideas down as your goal.
- Make sure your goal is one that can be achieved and evaluated.
- Consider resources available to you.

FORM A PLAN

The square represents the coming together of ideas—the who, what, where, when, and how of your plan.

- Decide what needs to be done to reach your goal.
- Figure out the who, what, where, when, and how.
- List the abilities, skills, and knowledge required on your part.
- List other available resources, such as people, places, publications, and funds.
- Make a workable timetable to keep track of your progress.
- List possible barriers you might face, and develop plans if necessary.
- Decide ways to recognize your accomplishments along the way.

ACT

The different squares in this symbol represent the activities to be carried out to meet your goal. It represents acting on the plan.

- Carry out your group or individual plan.
- Use *family* and *community* members, advisers, committees, task forces, and advisory groups when needed.

FOLLOW UP

The broken squares suggest examining the project piece by piece. This symbol also represents a "window" through which to review and evaluate the plan.

- Determine if your goal was met.
- List ways you would improve your project or plan for future reference.
- Share and publicize your efforts with others, including the media if appropriate.
- Recognize members and thank people involved with your project.

Personal Best Leader Experience

from* The Student Leadership Challenge *by James M. Kouzes and Barry Z. Posner

Just like athletes have personal records and musicians and actors know when they are performing better than ever, great leaders know when they are doing their job to the best of their ability. Think about a time when you were at your very best as a leader. You could be at your best right now or you may recall a situation from a while back. It may be an experience with *family*, friends, classmates, co-workers, teammates, etc. Now, as you think about your personal best leader experience, answer the following. Your personal best leader experience should not exceed three 8 ½" x 11" pages or six slides.

First:

Describe this time of leadership (focus on one experience):

- When was it? How long did it last? Who else was involved? What was your role?
- What feelings did you have prior to and during the experience?
- Did you initiate the experience or did someone else and how did you emerge as the leader?
- What were the actual results of the experience?

Second:

Thinking about the same time, list 3–5 actions you took as a leader that made a "difference" and answer the additional questions.

- How did your team, group, etc., do something incredible based on what you did or said?
- What did you do to demonstrate your own commitment to the project or undertaking?
- What did you do to make sure everyone understood the purpose?
- What did you or others do to overcome any major challenges or setbacks?
- What did you do to engage others and get them to participate fully?

Third:

Reviewing the responses from above, summarize 3 major lessons you learned about leadership from this experience. These are lessons you might share as advice to others about them being or becoming a great leader.

Fourth:

What makes your behavior as a leader this time especially different from any other time?

- What single piece of advice would you give to a leader on how to get extraordinary things done based on your experience?

Admirable Leaders

from **The Student Leadership Challenge** *by James M. Kouzes and Barry Z. Posner*

Leaders learn best through experience and sometimes following other great leaders is the most effective. Take some time to reflect on leaders you have willingly followed. Name 3 of these people and answer the following questions for each admirable leader. Your admirable leader summary should not exceed two 8 ½" x 11" pages or three slides.

1. Admirable Leaders Name
2. What was the situation, why was this person your leader (coach, teacher, sibling, parent, club president, etc.)?
3. Write two to three sentences to describe how this leader made you feel about yourself.
4. Name three to five things this leader did to make him or her stand out from other leaders you've followed.

Image Awareness

Great leaders do their best to be perceived the way they want others to view them in all areas of their lives, not just when they think others are watching. Complete the following questions to become more aware of what you want your image to be compared to in reality. The Image Awareness should not exceed one 8 ½" x 11" page or two slides.

1. List several adjectives that you believe describe your personality and image.
2. Ask a few other students or adults in your school or *community* to describe you.
3. If you have a Facebook, Twitter, or other social media account, take a look at your profile and describe the person you see. If you do not have a social media account, please answer "not applicable."
4. Does your opinion of yourself match the ways others described you and your social media presence?
5. List the things you are doing well in creating a positive image so you remember not to change them.
6. Is there anything you should change about how you relate to others or the way you portray yourself (in person and/or online) so others see you the way you want to be seen? How are you going to do this?

Mentee Reflection

Get feedback from your mentee using the questions below. If your mentee is not able to read and respond to the questions on his/her own, you or a third party may conduct the reflection as appropriate for the situation. The Mentee Reflection should not exceed two 8 ½" x 11" pages or three slides.

1. Did you enjoy spending time and learning from [PARTICIPANT NAME]?
2. What was your favorite part of this experience?
3. Do you have a better relationship with [PARTICIPANT NAME] from this experience?
4. What have you learned from [PARTICIPANT NAME] during your mentorship relationship?
5. How do you think what you've learned from [PARTICIPANT NAME] will help you in the future?
6. How could [PARTICIPANT NAME] improve to be a better leader to others in the future?
